EXHIBIT A

Loose Animals and Enforcement

Overview: The Declaration requires that all dogs, cats, and other animals shall be contained within an Owner's lot lines by a fence. Additionally, animals shall not be permitted outside of an Owner's fenced yard area except when on a leash. (Dec. 1.18) Unless otherwise defined in this document, all capitalized terms shall have the meaning set forth in the Declarations.

Enforcement: In order to encourage compliance with the Declaration, the Board has established a Loose Animal Fine Schedule for violations of the Declaration related to animal containment. This fine schedule supersedes the Standard Fining Schedule of the Association in cases of violations of the restrictions concerning animal containment. All fine notices and procedures will be in compliance with state law, including Chapter 209 of the Texas Property Code. To the extent this rule conflicts with state law, state law shall control.

An owner in violation of the Animal Containment provisions will first be given a warning. If an owner has received a warning for an Animal Containment violation within the preceding six months, and commits another violation of the Animal Containment restrictions, a fine will automatically issue in the amount of \$200 per violation. Owners are responsible for all violations of residents, including tenants, and guests and invitees of the household.

First Violation:	Warning Letter
Second Violation:	\$100 fine per violation
Third Violation:	\$200 fine per violation
Fourth Violation:	\$300 fine per violation and/or legal action.
