

Gabriel's Overlook

2021 Annual Meeting Election

Candidate Bio

JANICE BROOKER – 1 YEAR TERM

Dennis and I have lived in Gabriel's Overlook since May of 2011. We love this beautiful community and the people we have gotten to know over the years. Our first year here, I joined the Board as Secretary and was on the Welcoming and Social Committees. Later, I volunteered for our first Fall Fest and then became a FF Board Member. Many of you have attended our annual Luau and other gatherings. I've decided it is once again time to give back to the community that I love so much and hope that I can make a difference.

ANDY HAZLEWOOD – 1 YEAR TERM

Thank you for the consideration as a Governing Board Member for Gabriel's Overlook HOA.

Being originally from the DFW area, my family and I have lived in Gabriel's Overlook for the past 5 years. Our daughter is a freshman at Liberty Hill High School and is an avid dancer; and is currently on the Liberty Hill Stars Drill Team. Yes, I am the Dance Dad!!!

From a young age, it was instilled in me to have Texas values, discipline, and work ethic in everything you do. Being a military brat with a Veteran Father from the Vietnam War and Grand Parents that were in the Korean and 2nd Great War (WWII), you do what you say and say what you do. With that mentality, and entrepreneurial spirit, my wife and I have created numerous types of business entities thus far in our lives.

Having experience contracting with companies and working in-house for Fortune 500 companies, I enjoy striving for Operational Excellence in everything I do. With that mind set, I would like to encourage your vote of yes to allow me this opportunity to be on the HOA for added value that is already within it.

MICHAEL PAZIENZA – 1 YEAR TERM

Michael PaziENZA joined the Gabriel's Overlook community with his wife Elizabeth and two children in the summer of 2017 and has served on the GO Board of Directors since 2020. He is creative and technology expert with over two decades working in digital marketing and building web applications, including the recent upgrade to gabrielsoverlook.org. While 2020 was definitely not what he expected, Michael would like to work for the community keeping it friendly, beautiful, and a wonderful place to live.

BARRY CALDWELL – 3 YEAR TERM

My name is Barry Caldwell. I would like to submit my name on the ballot for the 3 year term for the Gabriel's Overlook Board of Directors Election to be held in February 2021.

I live at 113 Gabriel's Loop and have lived in this special community since May of 2007. I am a native born Texan and have lived in central Texas my entire life. I currently work for the Texas Department of Public Safety, Highway Patrol. I have served Texas for 36 years in the field of law enforcement as a Police Officer, DPS Highway Patrol Trooper and as a DPS Criminal Investigator.

During my time living in Gabriel's Overlook I have met and become friends with some amazing people. Gabriel's Overlook has always been a great place to live but I believe it is even more special today due to the continuous growth around our community. Gabriel's Overlook is not like the cookie cutter communities you see all around us. We are a beautiful community of custom built homes on 1 to 4 acre lots. Because of this I believe our community stands above other communities when it comes to property values. Gabriel's Overlook must continue to change with the times in order to have the upper hand in maintaining the property values compared to the surrounding communities. In order to do this our community needs people to commit their time in representing the best interest of the community. There will be several major projects impacting our community in the near future that will require someone willing to commit the time and energy needed to assist the board in the appropriate completion of these projects. I am very familiar with the time and commitment necessary in serving as a board member for the Property Owners Association (POA). I previously served 6 years on the Gabriel's Overlook Board of Directors and then served a 1 year term this past year. I have also served on the Architectural Control Committee (ACC) for approximately 13 years. With your support I would like to again serve a 3 year term that will be filled at the annual POA meeting in February. I understand it is often at times a thankless job very few people want to take on. It is my love for this community that makes me again want serve in this position. I believe in protecting our community with strong enforcement of the Gabriel's Overlook Rules and CC&Rs. I have always supported a transparent approach to managing the interest of the community. I also support community awareness and fellowship with our neighbors. A lot was accomplished by the POA in 2020 but there is still work to be done. For the folks in our community that agree with my approach I would appreciate your support and vote at the POA Annual Meeting.

Regards,

Barry Caldwell
